Highlighting Jazz Activities in the State of Texas

November 2011

THE PRESIDENT'S MESSAGE

I hope you are all having a productive fall semester. As the marching season swings into high gear, I hope you will take a moment to pause and think about your jazz needs for the year. The deadline was extended for our grant

applications and I hope you took advantage of this and applied. These grants are a wonderful opportunity to help your students and yourselves learn more about jazz music.

Thank you to all who have encouraged their students to audition for the All State Jazz Band. It truly is one of the finest of its kind in the nation. We still have an initiative to promote a jazz honor band and will continue to have discussions with TMEA about the creation of such a group. Your support is greatly needed here. If you have suggestions or ideas, we would love to hear them. Please feel free to contact myself or any of the officers if you would like to put something on the agenda at our annual meeting in February.

I wish you the best of luck for the remainder of 2011 and will see you at the 2012 convention in San Antonio.

Sincerely,

Tim Ishii
President, Texas Jazz Educators Association

Born and raised in Albany, Georgia, he started making a name for himself as he moved to Houston, Atlanta and ultimately to New York City. One of his most pivotal career-shaping experiences was sitting in

Malone spent time touring as a member of bands led by the likes of Harry Connick, Jr. and Diana Krall. Other members of his trio include **Tassili Bond** on bass and **Darrell Green** on drums.
